

DuraCloud Demonstration

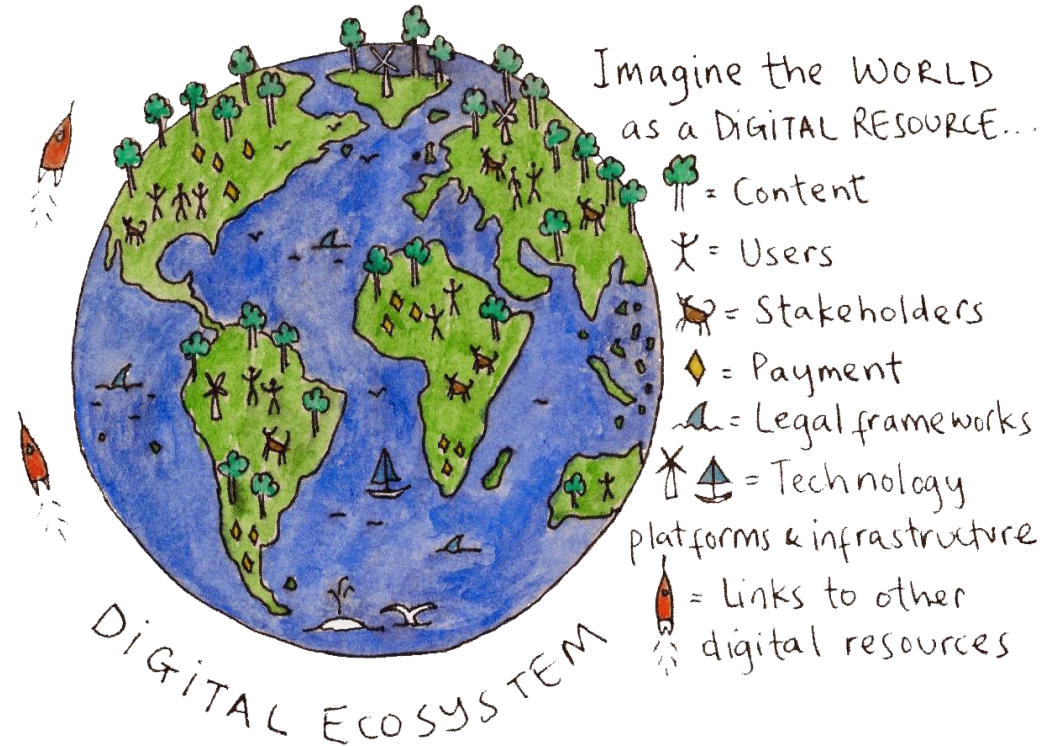

Heather Greer Klein, Services Coordinator

About DuraSpace

Our community
is part of an
interconnected,
worldwide, scholarly
ecosystem.

Source: The Digital Ecosystem in the Balanced Value Impact Model (illustrated by Alice Maggs); <http://simon-tanner.blogspot.com/2014/09/do-you-understand-your-digital-ecosystem.html>

DuraSpace & TDL

- Collaboration between TDL and DuraSpace development teams
- DuraCloud @TDL has the same service partners (Chronopolis, DPN)
- Model for future partnerships

About DuraCloud

- Open source
- Hosted
- Simple pathway to cloud-based digital content storage through a unified web interface
- Easy to add, remove content
- Bit integrity

Demo

Health Checks

Report: dspace-dev-backup as of Thu Aug 24 04:50:29 UTC 2017
