Directory of TDL Members & Partners

This directory is the result of a Capstone Project for the University of Texas at Austin [School of Information](#). The goal is to facilitate collaboration between the many talented professionals within the Texas Digital Library community. Information for the directory was gathered via a survey in the Spring of 2020. If you would like to be added or removed, please contact us using [this form](#) or send an email to [info@tdl.org](mailto:info@tdl.org).

Use these terms to search skills among your colleagues using the search box below:

Archives	European copyright	Policy development

# Data Curation in TDR

Brenna Wheeler

iSchool Capstone Project

brennawheeler@utexas.edu

## Goal:

Create a Data Curation Workflow for Liaison Librarians.

## Main Tasks:

### Identifying Tools

- Dataverse API
- Dataverse Tool

### Assess Published Datasets

- Metadata Richness
- Open Software
- Documentation

### Liaison Librarian Communication

- Host Training Session
- STEM & Social Sciences Team
- Individual Interviews

**Check:** to establish the presence of dataset content.

**Understand:** to ensure dataset quality is high enough for reuse.

**Augment:** to enhance metadata for better findability.

**Transform:** to identify format, restrictions, and non-proprietary equivalents.

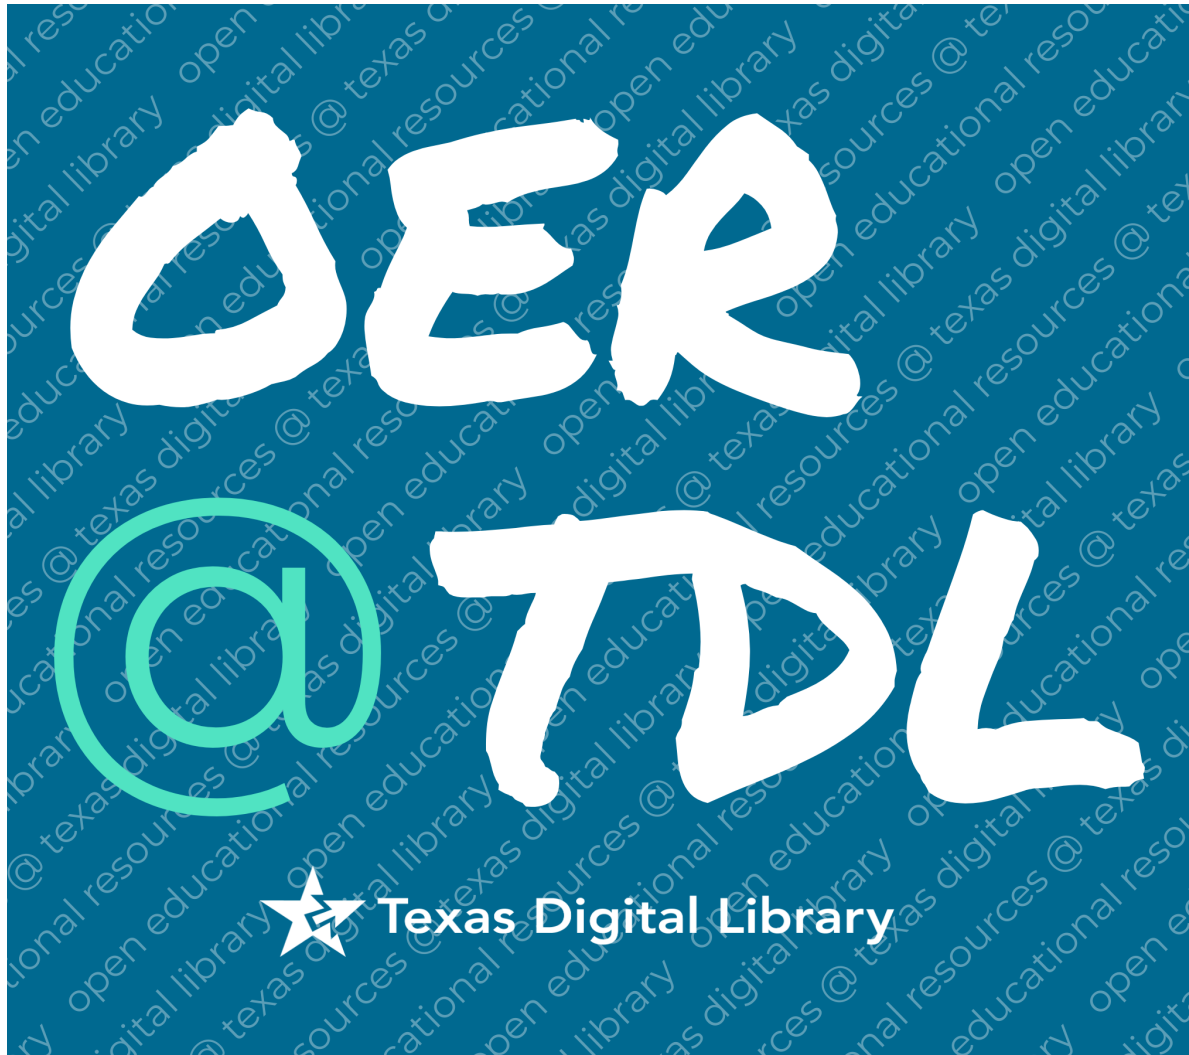

**Evaluate:** to ensure that dataset is FAIR.

**Request:** to improve dataset with creators/owners.

**Document:** to record changes.

## Next Steps

- Solicit volunteers for Data Curation Team.
- Write guidelines/processes for projects requiring additional librarian involvement.
- Create “Data Curator” element in schema.
