

# My Experience As A Digitization Student

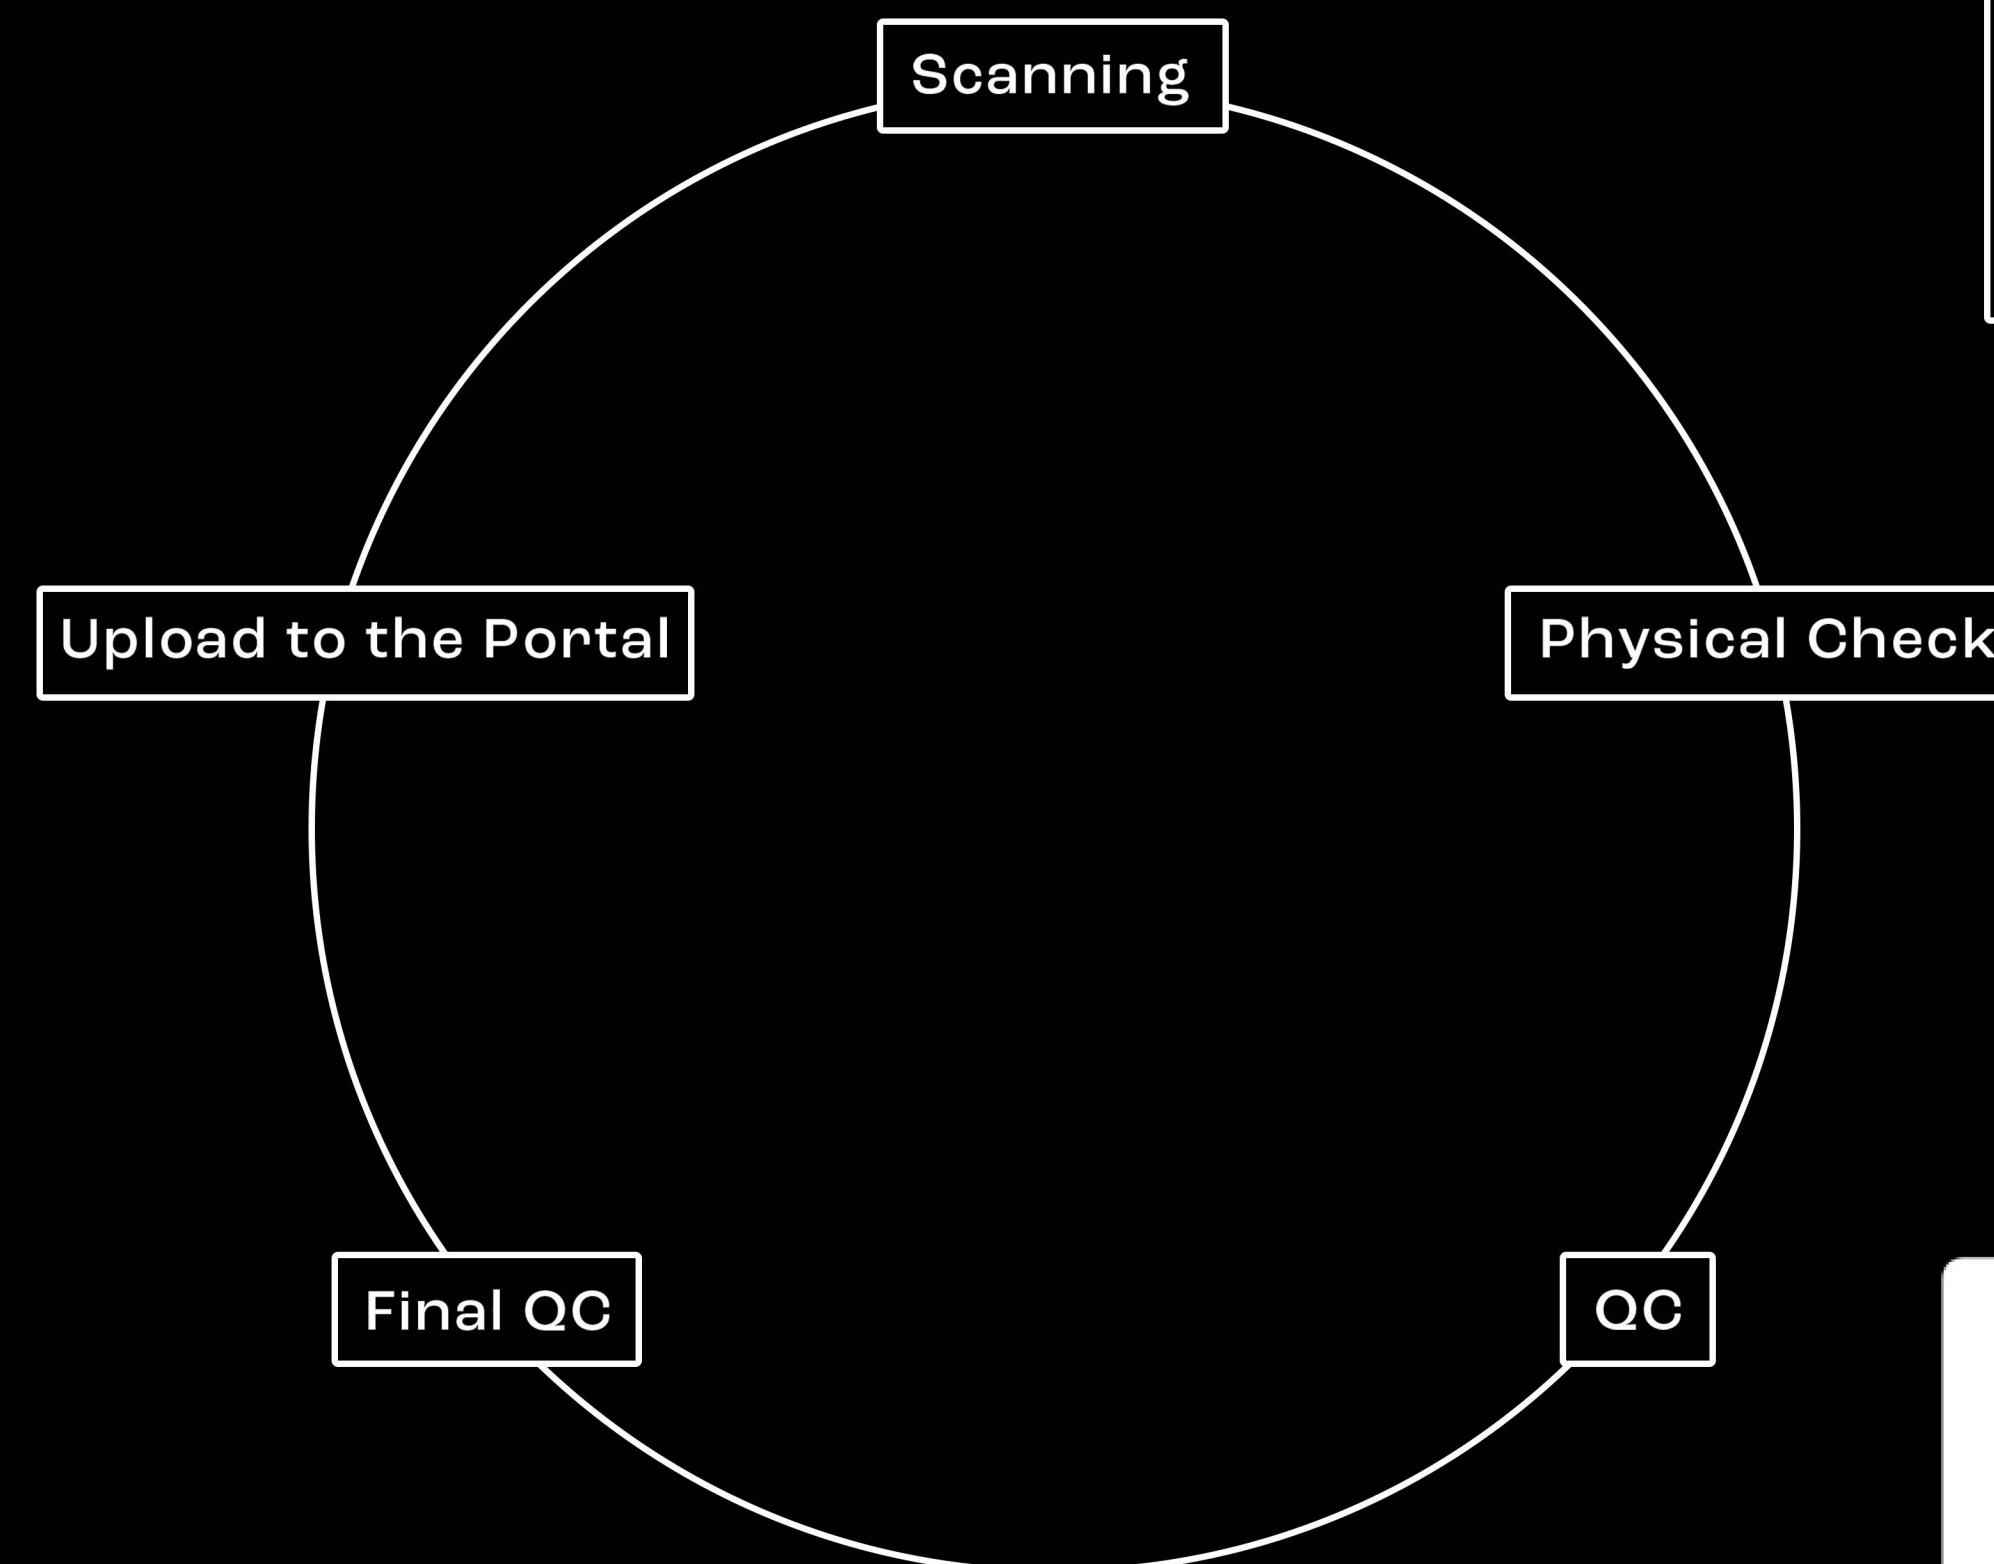

## The Kempner Project

The Kempner Project started in 2017 in partnership with the Rosenberg Library and the Kempner Fund of Galveston, Texas, to establish a digital repository for the Harris and Eliza Kempner Collection on the Portal to Texas History.

## Materials for the Project Include:

Personal Letters  
Business Documents  
Postcards  
Photographs  
Scrapbooks  
Brochures and Pamphlets  
And More!

## The Workflow

## Interesting Finds

The Collection offers windows into many historical, political, and social movements. The World Wars, The Cold War, Civil Rights Era, etc. The collection also features many of the important figures from this time like U.S. Presidents, Senators and social leaders like Dr. Martin Luther King Jr. and Hellen Keller.
