# Software Development: **VIREO**

---

## **New Vireo development has begun!**

Prep work already completed:

- ADA-compliance for student submission interface
- Integrated new features submitted outside of normal development cycles (ORCID, bug fixes)

Current sprint:

- TDL staff (Gad Krumholz) + Texas A&M Libraries staff (James Creel, Micah Cooper, Jason Savell, Jeremy Huff)
- Product Owner: Stephanie Larrison (VUG Co-chair)

Three “Epics” (aka new feature sets):

- Revised “upload correct document” interface
- New reporting capability (CSV export)
- New email functionality

# DURACLOUD™ for Preservation
