Texas Digital Library

The Texas Digital Library is a multi-university consortium providing the digital infrastructure to support a fully online scholarly community for institutions of higher education in Texas and the widespread availability of their enormous intellectual capital.

Impact

The presence of the Texas Digital Library will provide many benefits to the state, its schools, and the development of teaching and research. These include:

- Increased visibility for member institutions and affiliates
- Encouragement of innovation in education and knowledge sharing
- Increased accessibility to scholarship and research
- Greater competitiveness for research funding
- Preservation of intellectual assets for future generations of researchers, teachers, students, and scholars

Vireo

• *What?*
• *Why?*
• *How?*
What is Vireo?

• Electronic Theses and Dissertations

• Manages entire ETD lifecycle
  – Ingestion
  – Review
  – Publication
Why Vireo?

• ETDs have unique metadata needs

• ETDs have complex workflows
  – Multiple participants
  – Iterative review process
  – Variable publication delays
How does Vireo work?

• Built on Manakin
  – *Paired set of Themes and Aspects*

• Uses Shibboleth

• MODS XML, ETD-MS

• Audience-specific interfaces
Vireo and DSpace

- Each interface is a paired Aspect and Theme
- *Extra* information is stored in 3 new tables
- One-to-one mapping between Vireo records and DSpace items
- Collections are “managed” by Vireo
Vireo items

- Action log is stored with item as a bitstream
- Older versions of files stored in an protected ARCHIVED bundle
- Either DSpace or Vireo can manage handles
Interfaces

- Discussion
- Walk-through
Vireo interfaces

• 2 different workflows = 2 unique interfaces

• **Student** submittal interface
  – *Novice* interface
  – Focus on ease-of-use

• **Staff** management interface
  – *Expert* interface
  – Focus on efficiency

License Agreement

You must agree to the non-exclusive license below in order to continue:

I grant the Texas Digital Library (hereafter called "TDL"), my home institution (hereafter called "Institution"), and my academic department (hereafter called "Department") the non-exclusive rights to copy, display, perform, distribute and publish the content I submit to this repository (hereafter called "Work") and to make the Work available in any format in perpetuity as part of a TDL, Institution or Department repository communication or distribution effort.

I understand that once the Work is submitted, a bibliographic citation to the Work can remain visible in perpetuity, even if the Work is updated or removed.

I understand that the Work's copyright owner(s) will continue to own copyright outside these non-exclusive granted rights.

I warrant that:

1. I am the copyright owner of the Work, or
2. I am one of the copyright owners and have permission from the other owners to submit the Work, or
3. My Institution or Department is the copyright owner and I have permission to submit the Work, or
4. Another party is the copyright owner and I have permission to submit the Work.

Based on this, I further warrant to my knowledge:

1. The Work does not infringe any copyright, patent, or trade secrets of any third party,
2. The Work does not contain any libelous matter, nor invade the privacy of any person or third party, and
3. That no right in the Work has been sold, mortgaged, or otherwise disposed of, and is free from all claims.

I agree to hold TDL, Institution, Department, and their agents harmless for any liability arising from any breach of the above warranties or any claim of intellectual property infringement arising from the exercise of these non-exclusive granted rights.

By checking here you agree to the above license in its entirety.

Submittal Complete

Your work has been submitted successfully. You may return to this website to check on the status of your submission or to provide additional information or corrections to your work, if necessary.

This area may be customised by the thesis office at each institution to provide specific information or instructions for the individual institution. For example:

- You need to turn in Form A
- Then you need to create a TPS report
- Don’t forget to pay all your fees

This text is editable through an interface provided in the administrative interface of Vireo.
