- TDL Survey feedback
- Next steps for TDL Groups and Communities

What we're up to in Austin

SERVICE UPDATES

OCS and OJS

- Open Conference System upgrade has started
 - Effie has migrated several Conferences
 - More work to upgrade conferences on the older systems
- Working in WordPress to address potential attacks
- Working with Hoccleve archive

Systems

- Bob developing better reporting and analysis for TDL systems
 - Complete picture of the TDL infrastructure
 - Identify areas for work before we have a problem
- Gene is examining steps toward migration from DSpace 1.7.2 to DSpace 3
- Progressive downloads for media in DSpace

Preservation

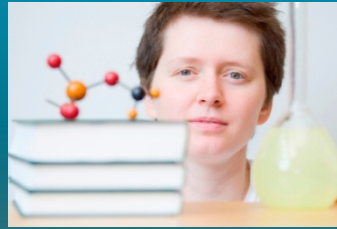

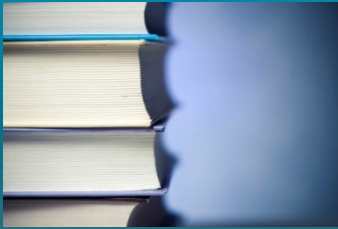

- Dan is working jointly with DPN partners
 - Joint UT/ TDL effort
 - Working on replicating node technology with national network of developers
- Continuing investigation of DuraCloud as an interface for TDL users
- Also investigating iRods interface tools for large collections
