https://groups.google.com/forum/#!forum/tdl-community
Operational Updates

DSpace

- Awaiting the release of DSpace 6
- If you would like to participate in a DSpace 6 Working Group this summer, let us know
- info@tdl.org or rsteans@austin.utexas.edu
Operational Updates

Vireo

• Vireo 4 development underway
• Expecting a release in early summer
• Documentation and Training materials assembled over summer (webinar in July, training in August)
Operational Updates

Open Journals

• OJS 3 in Beta
• Investigating OJS 3 this summer
Operational Updates

DuraCloud and DPN

• Reported significant progress for Texas Preservation Node (UT Libraries)
• Texas A&M currently testing DuraCloud locally
• DuraCloud is currently available for preservation through the TDL
• If you are planning to use DPN in 2016, it may be a good idea to start letting us know now
Operational Updates

Dataverse

• This summer we will continue working to make Dataverse production ready
  • Full back-up structure
  • Shibboleth
  • Security improvements
Operational Updates

Sunsetting Open Conference Systems and WordPress

• Please reach out to us with any questions
• Services will go dark this fall
Operational Updates
