Welcome!

OER Buy-In: Lab Science Courses

Dr. Tonya Jackson
Lab scientist, to resident faculty, then lead faculty, and now associate dean.

Who am I to be giving advice?
Let's Pretend

For the next 20 minutes, you are faculty, congratulations.
Embrace this

- It is easier.
- It is more enjoyable.
- It is more appropriate.
Concept:

It's easier, you have total control.

Materials Choices

You Know It

Shared Materials
Concept:
It's more enjoyable.

- Your Passion
- Your Research
- Your Joy
Concept: It's more appropriate.

- Timely
- Flexibility
- Open Pedagogy
