Who Are We?

Co-Leaders

What have we done?

- Lab tours
- Documentation shares
- Video tutorials
- Virtual Meetings

Who Are you

- First and Last Name
- Title
- Affiliation
- Answer One Question:
 - What imaging projects are you working on?
 - What did you have for breakfast?
 - Do you have any Austin restaurant recommendations?
 - What's your favorite dish?
 - Did you see anything interesting on your trip to TCDL?

Discussion Topics

- Implementation of New FADGI (2022)
- Accurate Color Management
- Digital Preservation
- The Staff-Librarian-Photographer Divide
- Proactive Planning
- Key Metrics in Imaging
- Digital repository or digital preservation system recommendations by the meeting attendees

Discussion Questions

- What would your digitization operation benefit the most from?
 - a. More equipment
 - b. More staff
 - c. More expertise
 - d. Fewer projects
 - e. More projects
 - f. More time
 - g. Something else?
- What challenges are you currently experiencing?
- What areas would you appreciate help/learning more?
- Is there equipment or software that has worked well for your institution that you would recommend?

Get Involved

Possible Activities

- Lab Visits
- Occasional virtual chats
- Running list of
 - resources,
 - workshops,
 - scholarship opportunities
 - Or use materials related to digital cultural heritage work
- Other ideas
